

## **RAMSBOTTOM HORTICULTURAL SOCIETY TRADING SCHEME PRODUCTS FOR 2013**

We cannot buy in the BULK QUANTITIES that supermarkets and garden centers do, due to our size of facilities and finances also our volunteer labour sources. We pride ourselves on the quality of our products and the range which will suit all general gardeners and allotment holders. To keep this scheme going we simply depend on **YOUR** continuing support.

**There will be items available that are not listed**

It is planned to operate the trading scheme as in previous years. We do our utmost to keep this side of the society going. May I offer my sincere thanks to our band of willing helpers, with deliveries, shop openings, maintenance to our buildings and eventualities that crop up during the year. Any offers of help are always welcome. RAY CHADWICK
